

# "Officer O" Wants You To Remember These Eight Safety Hints:

Never go to a car,  
even if an adult is  
calling out to you.

Have a  
buddy system;  
always go places  
with a friend.

Tell your parents  
if an adult asks you  
to keep a secret.

Avoid dark and  
abandoned  
places.

Never go to  
anyone's home  
without your parent's  
permission.

Never let anyone  
who telephones  
know if you are at  
home alone.

A stranger is  
someone you  
don't know;  
someone who has an  
unfamiliar face.

Don't walk with,  
talk to,  
or accept gifts  
from a stranger.

**Compliments of Assemblymember Rudy Bermúdez • 56th Assembly District**

*The legislature is constantly working on legislation to make schools and communities safer places to learn, play, and live.*
